#### CONGRATULATIONS TO THE SENIORS OF 1963

You have received your diploma and congratulations from friends and family. Now you are looking forward to an adult life filled with happiness and new discoveries.

Education of the mind is very important but the hearts and consciences of people must also be educated. It is important for our nation to have all the brain power it needs. But we must be equally sure that it has the heart power to work for the benefit of all mankind and the conscience power to resist the temptations to do otherwise. This is the challenge for the youth of today.

#### TO THE GRADUATES OF 1963

There are many milestones in a person's life. You have now passed one of the more important ones. A significant portion of your lives is now immutable history. You may or may not be satisfied with your past, but the future is wet clay which YOU will mold.

William Shakespeare wrote, "Some are born great, some achieve greatness, and some have greatness thrust upon them." This is an era which has had greatness thrust upon it. The next decade could determine the fate of the world. You, as individuals, have it within your power to achieve greatness in this crucial era. It is up to you.

## Library Club

ROW ONE: Librarian, Mrs. Keeton, J. Dickerson, D. Running, J. Seibert, M. Seibert, L. Stillwell, ROW TWO: P. Mosier, C. Finch, G. Taylor, D. Bowman, J. Warne, J. Perkins. ROW THREE: K. Storey, E. Baker, D. Grimes, C. Ryer.

When a question has you up a tree  
And you think you've looked from A-Z.  
Perhaps you'd better ask assistance  
Success still comes with dogged---  
persistence.

The Library Staff this year is composed of one senior, six juniors, five sophomores, and three freshmen. All of these people are interested in books and libraries, also in helping others to use them.

The Johnston Library Club is affiliated with the Iowa Student Library association. One of our members, Judy Dickerson, is Vice-President of the association this year.

## *Future Teachers Club*

ROW ONE: S. Krantz, K. Holseid, J. Lowry, L. Harmon, C. Kinsey, J. Harmon, D. Garrison. ROW TWO: T. Spinden, S. Waddell, G. Bullis, M. Leffler, D. Steffey, B. Lathrum, Mr. Palmer.

The Johnston Chapter of the Future Teachers of America Club, sponsored by Mr. Palmer, has greatly aided students who are seeking a career in this field. The members have the opportunity to work with the teachers and the children in the classrooms. The club provides a chance for any pupil to investigate the profession of teaching, and to cultivate his or her abilities and interests in becoming a teacher.

## *Future Medical Careers Club*

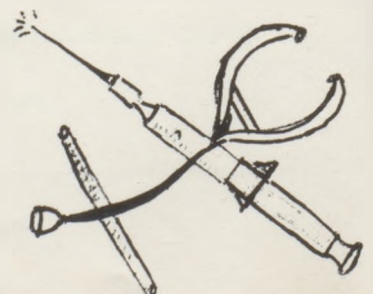

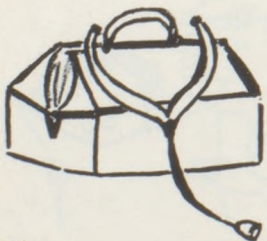

ROW ONE: R. Loose, R. Roberts, L. Perin, J. Seibert, K. McKinley, J. Rittgers, C. Bacon, P. Mead. ROW TWO: B. Gyle, C. Orr, C. Lenning, M. Madole, M. Johnson, S. Slauson, L. Banks. ROW THREE: M. Spinden, S. Underwood, S. Engleen, J. Keltner, M. Wilson, C. McWilliams, B. Thompson. ROW FOUR: D. Lawrence, S. Hemminger, L. Hanson, G. Stefani, T. Spinden, K. Wehring.

The Future Medical Careers Club was organized six years ago, to give the students who were interested in the field of medicine a chance to learn more of the many opportunities.

This year they attended career day at Broadlawns Hospital. At Christmas they made gifts for the Polk County Home and also the Christ Child Home.

The Club's other project was to improve the appearance of the Nurses room.

## French Club

The French Club, sponsored by Mrs. Varner, became active two years ago when Johnston had a French foreign exchange student.

They learned much about French customs and people. They have continued their study throughout the years and it has proven to be very beneficial.

ROW THREE: R. Clarkson, L. Seibert, T. Leffler, M. Soldat, J. Crawford, T. Huth, S. Waters, P. Jacobson, S. Stall.

The Letter Club is composed of the students who have received letters or pins in Sports, Music, Library work, and Honor Society.

The awards are given out to the students at the Activity Banquet which is held every year. The highlight of the Banquet is the delicious food, which is followed by the presentation of the awards and then there is a dance.

This year's rousing Pep Club, under the direction of Mrs. Wilimek, has inspired our athletic teams to deeds of "bravery" and greater school spirit during the 1963 sports season. The Pep Club backed our athletics at pep meetings and games, and have done their utmost to promote greater school spirit.

*The  
Lively  
Ones*

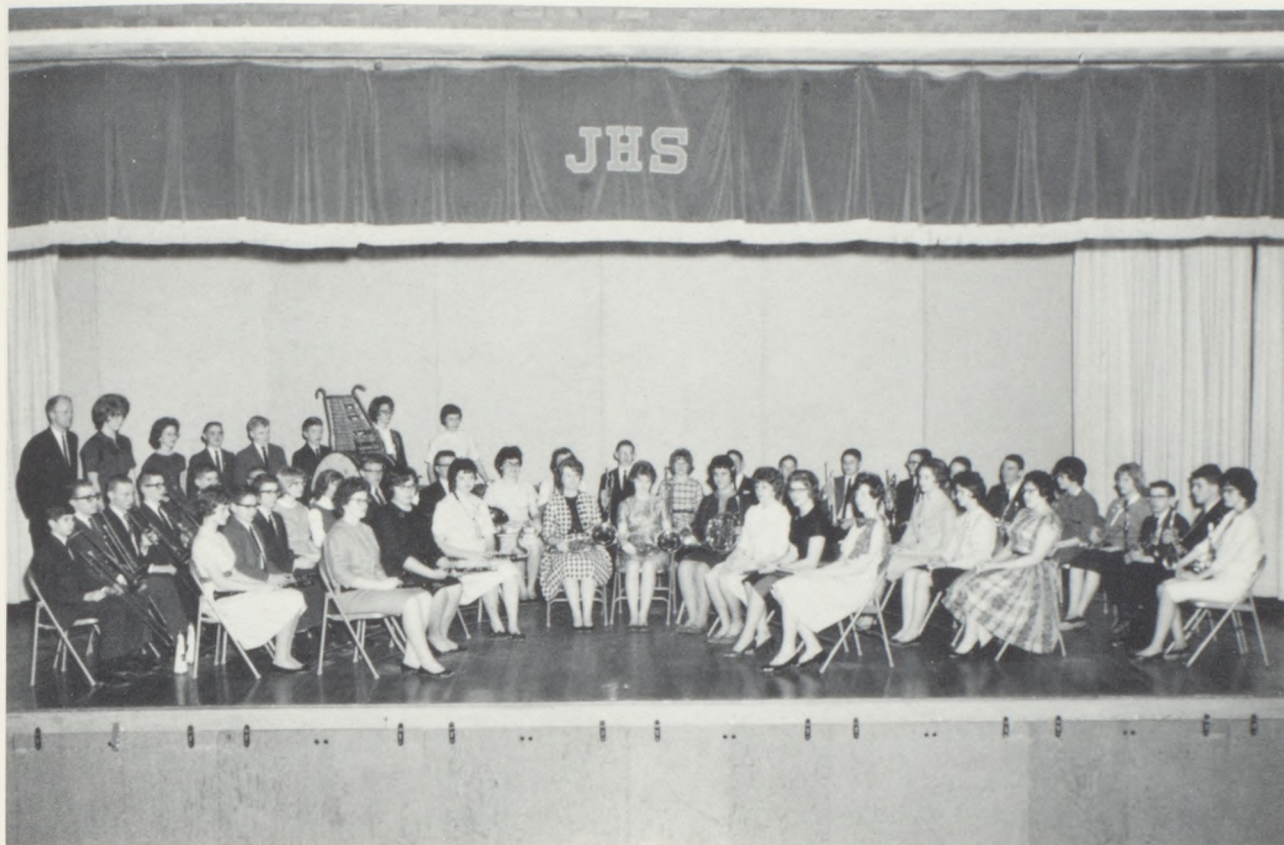

ROW ONE: D. Robinette, D. Running, J. Alms. ROW TWO: M. Leffler, J. Marshall, S. Polich, J. Johns.

The activity and loyalty this year was at its very best. The seven lively cheerleaders whose enthusiasm and pep cheered our teams on were a great contribution to our school's spirit. From the cheerleading clinics they attended to the pep assemblies they led, their rousing ovations were tremendous.

## Concert Band

Students in the Concert Band worked very hard to present two programs this year, a concert and a Pop's Concert. The practice was not in vain, and many listeners were pleased with the results.

This band has been a great musical asset to our school and has given enjoyment to the players and audience.

This year, many of the activities of the Johnston High School Marching Band, directed by Mr. [name], were hampered by unfortunate weather. The Band appeared at all home football games and presented many shows. The football season has been well augmented by the dedicated cooperation of the members of the Marching

Archie Best, have been dampened by foul weather, the high spirits of its members has risen above the posed of precision marching as well as entertaining the crowd with spirited music. The Johnston High Band.

# Quo Vadis?

**T**HE final echo of the old school bell signals far more than just the end of four years of diligent study. It is a fanfare, heralding an altogether new life in a competitive and demanding adult world.

The school has done a big job conditioning young minds for this moment. And, properly, these minds are eagerly receptive to the challenge. But there's more required than a mental reservoir of facts and figures and a willingness to apply them in a practical way.

There is another item that is every bit as im-

portant or perhaps more so. It is the human heart. For, it must still be acknowledged that it is the heart that can direct these other attributes in such a way as to add to mere material success the quality of satisfaction—a quality that comes from using knowledge and wisdom and skill not only to improve oneself but to make a better world for all who dwell in it.

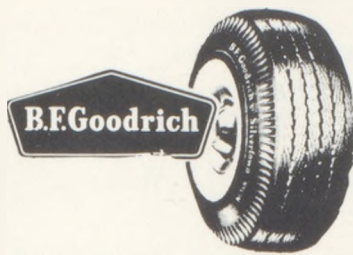

Rightfully, then, it's proper to pause here and ask oneself, "Whither goest thou?" And then to choose the way that invites this unbeatable partnership of mind and heart.

# THE IOWA NATIONAL GUARD

Service in the military forces of the United States faces all the young men of our Nation.

As the oldest military organization in the United States, the National Guard stands high among the components in which this service can be performed. This proud organization, whose record of military accomplishments has been inscribed in the history of every crisis our Nation ever has faced, today still maintains itself "Alert and Ready" for the protection of our homes and shores against any aggressor.

Thousands of young men of the Army and Air National Guard are serving in units throughout the United States—readying themselves for your security in time of war, maintaining themselves ready for your protection in periods of peacetime disaster.

In Peace or in War, your "UP TO THE MINUTE MAN" your National Guard stands ready.
